

Product Information

for Certificates of compliance with
the order (according to EN 10204 – 2.1)

Hannover, den 07.11.2005

concerning the electroconductivity

Certification:

CONTI SYNCHROFORCE®

High performance timing belts according timing
to DIN 9563

CONTI V-ADVANCE FO-Z®

Heavy-Duty Cogged Raw-Edge V-belts for
mechanical engineering according to DIN 7753
Part1

CONTI V-STANDARD ULTRAFLEX®

Narrow-Section Wrapped V-belts according
to DIN 7753 Part 1

CONTI V-STANDARD MULTIFLEX®

Classical-Section Wrapped V-belts according
to DIN 2215

CONTI-V MULTIRIB®

Multiple V-ribbed belts according to
DIN 7867/ISO 9982

fulfill, in their standard form, the requirements for electroconductivity of endless belts set
down in International Standard ISO 1813 - 1999 - 04 – 15, respectively DIN 9563 - 1993

These product attributes will be approved in order related Certificates of Compliance with
the order (according to EN 10204 – 2.1)

Quality Assurance
